Writing a cover letter is essential because employers often ask for it before going through a CV. It's a one-page document that includes necessary details about the candidate such as the names of the job seeker and hiring manager, previous work experience, and what different one can bring to the table. In addition, one must quantify their achievements and convince the hiring manager that they are the right fit for the role. However, it's not an easy task, and thus, most people also seek help from a [cover letter writing service in Dubai](#). Professionals can craft high-quality content in no time and also ensure high-end results.
